## TRENDIEST COLORS AVAILABLE

### ROYAL EDITION

### CLASSIC EDITION

### PROSHIELD PREMIUM® OPTIMAL PROTECTION

UNMATCHED PROTECTION, LASTING BEAUTY. Our FiberWood wood composite boards are protected by PROSHIELD PREMIUM-technology, a veritable shield designed to preserve their integrity. This layer envelops all four sides of the planks, providing seamless defense against stains, impacts, insects, scratches and UV rays, guaranteeing bright color over time.

### A 100% ECO-FRIENDLY PRODUCT

Every minute, almost a million plastic bottles are consumed worldwide, generating a colossal amount of waste. FiberWood provides a concrete solution to this environmental challenge by transforming this waste into sustainable materials. Made from 90% recycled wood and plastic particles, our boards preserve forest resources while offering a strong, aesthetic alternative. Fully recyclable, they can be reused to create new materials, reducing their impact on landfills and promoting a circular economy. Choose FiberWood and make an eco-responsible choice. Together, let's rethink the way we build and build a more sustainable future, one board at a time.

# ALUMINUM FENCES

## TOP OF FENCE

## OPEN-WORK FENCE

## FULL FENCE

## FIBERWOOD ALUMINUM BOARDS: HIGH QUALITY, LIGHTNESS, ROBUSTNESS AND STYLE

Crafted from premium 6063-T6 aluminum alloy, FiberWood boards harmoniously combine durability and elegant design, guaranteeing that they will never rust. Available in sleek black and rich woodgrain finishes, they deliver a modern yet timeless aesthetic.

### CHOOSE YOUR STYLE, MAKE A STATEMENT

- **Top of fence:** Combine wood composite with horizontal aluminum planks for a modern, elegant touch.
- **Open-work style:** Let in natural light while preserving your privacy, for a design that's both trendy and functional.
- **Full style:** Treat yourself to a secluded, soothing space, out of sight, for absolute serenity in your garden.

### OPT FOR ORIGINALITY

- Aluminium boards open a world of possibilities, allowing you to create unique designs that reflect your creativity and originality.

## DECORATIVE ALUMINUM PANELS: DESIGN AND FUNCTIONALITY

Available in five modern designs, these top-of-the-range aluminum panels combine aesthetics and durability. They are weather-resistant, rust-proof, warp-resistant and low-maintenance.

Versatile, they can be integrated into our fencing systems to enhance a space or conceal elements such as dustbins or outdoor air conditioners.

Eco-responsible, they are made from recyclable aluminum, a sustainable choice for outdoor design that combines style and environmental awareness.

- Powder-coated aluminum for increased weather resistance.
- Two sizes available: 6' x 1' and 6' x 2'.
- Versatile installation: vertical or horizontal, between boards or on top of the fence.
- Integrated frame for an impeccable finish.
- 10-year warranty for quality and durability.

## STRUCTURES & ACCESSORIES

# PANOLUX<sup>™</sup>

## GLASS FENCES AND RAILINGS FOR POOLS AND BALCONIES

Panolux glass fences combine purity and refinement, blending perfectly with any exterior design.

- 1- **AESTHETICS:** Glass fences offer an elegant, modern appearance that blends harmoniously into any environment. They preserve panoramic views, bring in light and create an open, spacious ambience.
- 2- **SAFETY:** Tempered glass railings are designed to provide a solid, secure barrier. Tempered glass is impact-resistant and shatters into small, non-cutting pieces if broken, reducing the risk of injury.
- 3- **EASY MAINTENANCE:** Glass fences are easy to maintain. They can be cleaned with glass cleaning products and a soft cloth. In addition, since they are held above the ground, they allow water and dirt to drain away.
- 4- **VERSATILITY:** Glass fencing can be used for swimming pools, balconies, decks and other outdoor spaces. They can be adapted to different styles and designs, offering a versatile solution to meet your specific needs.
- 5- **ADDED VALUE:** Glass fences can add aesthetic and functional value to your property.
